## ⌚ Instrument Actions

When you tap on any specific instrument (share):

- You'll be taken directly to the Analysis Page of that share

## 📊 Deep Analysis Tools

On the same screen, you can perform a complete technical and market review of that instrument:

### ✓ Candle and Area Charts:

- View the instrument's full price history, ranging from 1 minute to 6 months.
- Zoom in, scroll, or switch chart types to analyze trends effectively.

### 📄 Market Data Section:

Just below the chart, you'll find all the essential real-time data, including:

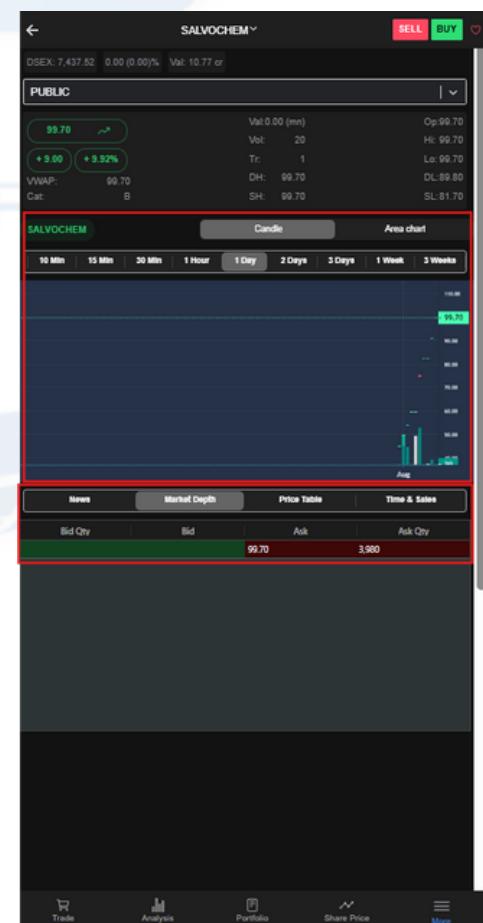

📰 News: Latest headlines related to the instrument or market

📈 Market Depth: Current bid/ask levels and order book snapshot

yen Price Table: Daily open, high, low, close, and volume stats

⌚ Time & Sales: Live trade feed showing executed orders in real time

💡 This page acts as your trading control center — analyze, decide, and act instantly, all without switching tabs.

From here, you can also:

- 💰 Buy/Sell instantly with one tap without leaving the screen

The screenshots illustrate the process of placing a trade directly from the instrument's page. The first screen shows the stock's performance and key metrics. The subsequent screens show the step-by-step creation of a sell or buy order, with the final step highlighted by a red box.

- ★ Add the instrument to your existing Custom Watchlist by simply clicking on the Fav (❤️) icon.
- + Also, create a New Watchlist by clicking on the “Create new Watchlist” button, and after giving the watchlist’s Name and Description, add the instrument to the watchlist and click the Save button.

The screenshots demonstrate how to manage watchlists. The first screen shows the standard instrument view. The second screen shows the option to create a new watchlist. The third screen provides a detailed look at the 'Create watchlist' dialog, where users can name their watchlist and describe it, and then add specific stocks to it.

## ₹ Trade Page — Execute Orders Instantly

Access the Trade Page by tapping the Trade Icon in the bottom navigation bar. Here's how you can place a **Buy / Sell** order quickly and safely.

The image displays two side-by-side screenshots of a mobile trading application's Trade Page. Both screens show a header with 'DSEX: 7,437.52' and '0.00 (0.00%) Val: 0.09 cr'. Below the header, there are 'BUY' and 'SELL' tabs, with 'SELL' being active in the right screenshot. Underneath the tabs are dropdown menus for 'PUBLIC' and 'DSE'. The main area shows a stock entry for '10/Nasiruddin Ahmad Choudhury' with a limit of 1,000,087.306.00 and a balance of 999,999,421.00. A green box highlights the 'GP' dropdown menu. Below it, a table shows bid and ask prices: Bid City 8,330.00, Bid 150, Ask 8,400.00, Ask Qty 100; Bid City 8,500.00, Bid 100, Ask 8,618.70, Ask Qty 50. A red box highlights the 'Quantity\*' input field set to '8500' and the 'Market' button. A green 'SUBMIT ORDER' button is visible. At the bottom, tabs for 'All', 'Active', 'Executed', and 'Terminated' are shown, along with navigation icons for 'Trade', 'Analysis', 'Portfolio', 'Share Price', and 'More'. The right screenshot shows the same interface but with the 'SELL' tab selected, and the 'Quantity\*' input field is set to '13040.1'.

### 💡 Step-by-Step Order Placement

**Choose Action:** Select Buy or Sell tab

**Enter Instrument Code:** Search / Scroll the trading code for the stock

**Enter Quantity:** Add the number of shares (and **Drip Quantity**, if needed)

**Select Price Type:**

- **Limit Price** — Place an order at your chosen price
- **Market Price** — Execute instantly at the current market rate

**Submit & Confirm:** Review order details → tap **Submit** → then **Confirm**

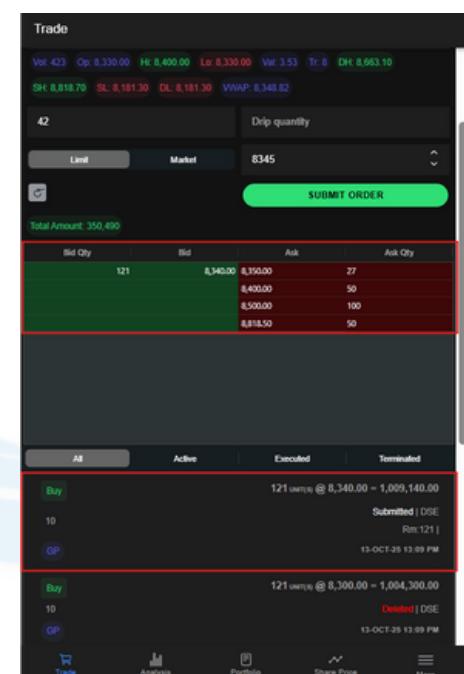

The image shows three sequential screenshots of the Trade Page illustrating the order placement process:

- Screenshot 1:** Shows the 'Buy' tab selected. The 'Quantity\*' input field is set to '8350' and the 'Price\*' dropdown is set to '8,350.00'. The 'SUBMIT ORDER' button is highlighted in green.
- Screenshot 2:** Shows the order has been submitted. The 'Price\*' dropdown now shows '8,350.00 -1.75%'. The 'Drip quantity' input field is set to '8308'. The 'SUBMIT ORDER' button is still green.
- Screenshot 3:** Shows a confirmation dialog box titled 'Buy confirmation'. It asks 'Do you want to submit buy order 42 with(s) of GP @ 83451.7?' with 'Cancel' and 'OK' buttons. The 'OK' button is highlighted in red. Below the dialog, the order details are shown: 'Total Amount: 360,490', 'Bid City: 121', 'Bid: 8,350.00', 'Ask: 8,400.00', 'Ask Qty: 27', and a table of bid and ask quantities.

## ⌚ After Submission

Once you confirm your order:

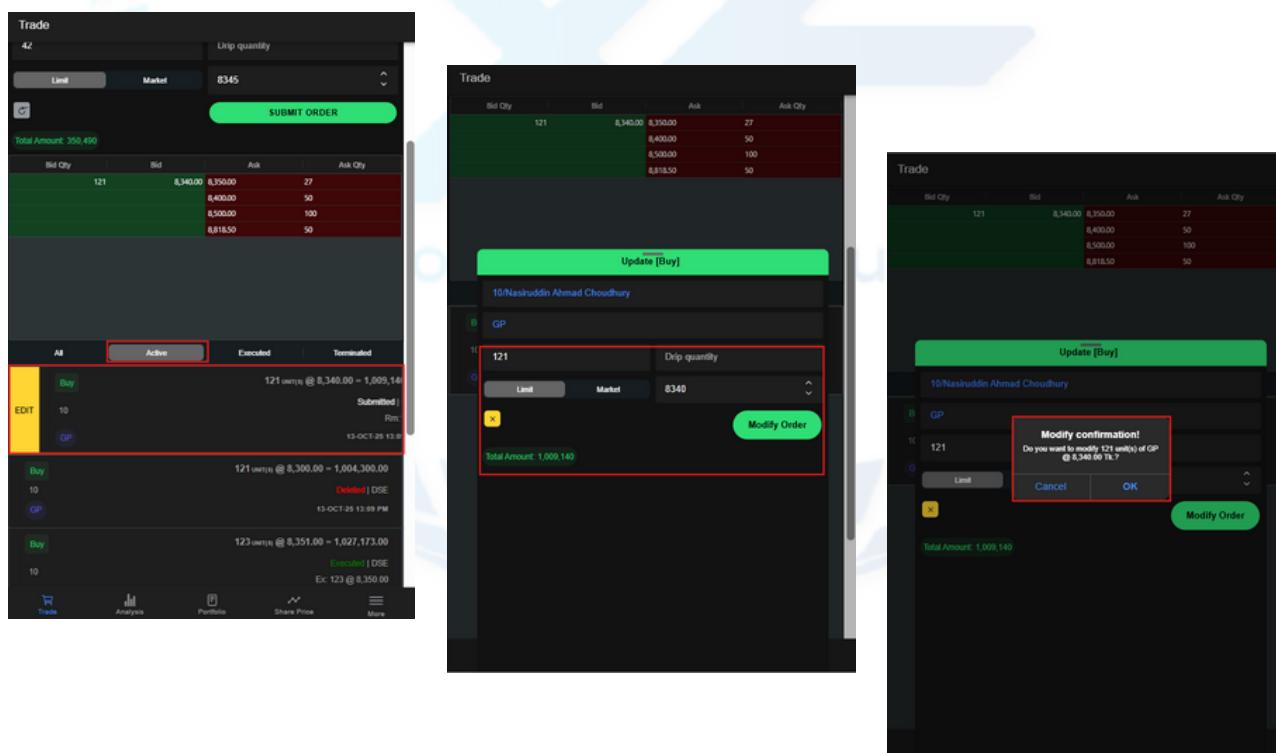

- **Market Depth** and **Order List** will auto-refresh with live updates
- You can view your orders categorized as:
  - All
  - Active
  - Executed
  - Terminated

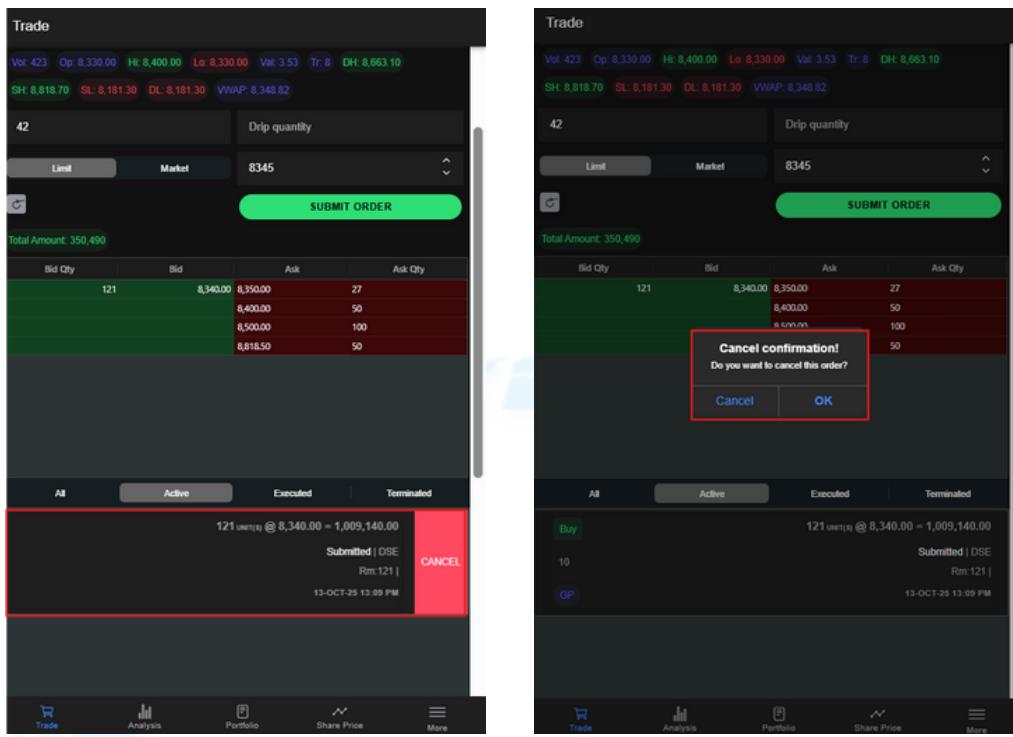

## 📝 Manage Your Active Orders

You can edit or cancel orders directly from the Order List:

- Swipe Left → Right to Edit / Update your order.
- After modifying it, the updated order will be shown on the Order List.

- Swipe Right → Left to Cancel your order.

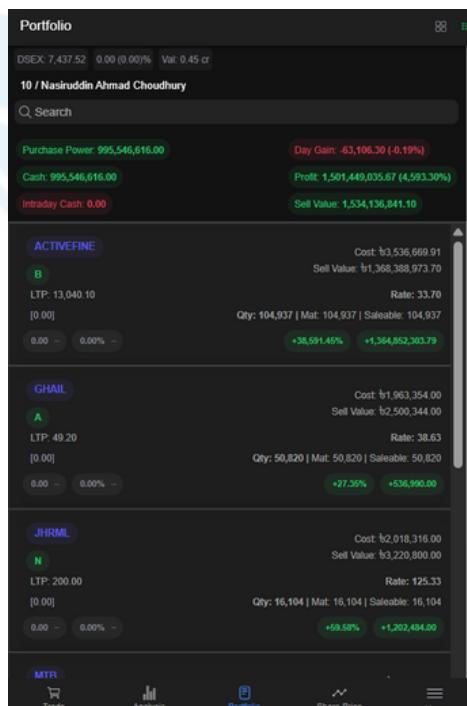

### Tip:

Always verify your order status after modifying or cancelling — changes reflect instantly in the Order List.

## Portfolio Page — Track Your Holdings

Your Portfolio Page gives a complete view of your current investments, balance, and performance.
